Dear Pastor and Church Family,

"O give thanks to the Lord of lords: for his mercy endureth forever. To him who alone doeth great wonders: for his mercy endureth forever."

During the past six months on deputation, God has been so good to our family. We have seen God supply in ways that only He could do. We are so grateful for His great blessings.

I want to thank those of you who prayed for my wife during the last months of her pregnancy. I am glad to announce that Timothy James Harry Michel was born at 10:31pm on December 28, 2010! We are so thankful to the Lord for giving us a healthy son (who also travels well in the car).

God has been so gracious to us in allowing us to have a full schedule on deputation. We took a little over a month off for the birth of our son Timothy, but hit the road again full time in the middle of January. Currently, God has allowed us to raise 30% of our support; and we are very excited to being that much closer to the field God has called us to.

I would like to ask you to pray for our family's health. Our family has been quite sick over the past two weeks. My wife and I have battled the flu, and our children currently are fighting a bad congested cough. My wife has also been struggling with her back. Last week, she was in so much pain that she couldn't even walk. We took her to a chiropractor, and she is now beginning to see some improvement. Please pray that the Lord will give our family a clean bill of health, as we have a full schedule of meetings ahead of us.

Thank you for remembering us before the Lord in prayer. Please continue to pray with us for these requests.

1. Good health and safety for our family as we travel.
2. A full schedule on deputation and churches to take us on for support.
3. Wisdom and direction from the Lord as we correspond with the Dutch government about obtaining residence permits.

In His Service,

Joel Michel and Family
